DEPARTMENTAL RULES AND REGULATIONS

Show is A.B.A. and A.P.A. Sanctioned

1. Rules, definitions and judging procedure as prescribed in the latest edition of the Official Show Rules and the Standard of Perfection of the American Poultry Association, Inc., shall apply to the Monterey County Fair poultry show except in such instances where they are in conflict with the rules and regulations prescribed by the State and Local Rules listed in this Entry Guide Book.
2. The management will do ALL feeding.
3. Birds will be shown and judged in the proper division and class for breed, variety, age and sex only. If no class is offered, no awards may be made. Disqualified birds and those absent at the time of judging do not count when computing the number of exhibitors in the class.
4. The Monterey County Fair remains committed to hosting a quality poultry exhibition. Health checks are mandated by the Division of Fairs & Expositions and will be performed by certified Poultry Health Inspectors (PHI) from one of the designated CDFR/UC Certification Programs. The PHI will evaluate the health and condition of every bird entered. As a result, coop in times may be delayed. Look for signs when you enter the fairgrounds as to where to take your bird(s) for the examination- do not proceed to the poultry barn until your bird(s) have been examined. Please make sure you carefully examine each bird before you leave home and follow your regular cleaning procedures. Any birds that show signs of illness, stress, or are not in top quality condition will not be allowed to enter the show.
5. For all classes of Standard-Bred chicken and ducks, all birds must be identified by leg bands or wing bands conforming with the entry form on arrival at the show.
6. Substitutions can only be made within a division.
7. No birds or supplies, for any reason other than sickness of entry, will be released before Sunday, August 17, 2008.
8. It is not mandatory that a first place award be given if there is no entry in the class, or division worthy of such placing.

9. All birds are entered at the owners risk. The Fairgrounds and it's management are not responsible for any thefts or injuries that may occur to the birds.
10. If there are more than 10 entries of the same breed a separate division will be created and judged.
11. If a division does not have at least 10 entries, it may be combined with another division and judged as one.
12. All entries must be checked by Show Superintendent before cooping in.
13. NOTE: After entries are closed, they will be screened down to the number the Fair can provide housing for.
14. Definitions of Classes:
