Monterey County Fair Heritage Foundation Brick-A-Thon!

Help the Monterey County Fair Heritage Foundation complete our new capital improvement project. We have started a campaign to brick a path from the Gate 5 entrance up to the Monterey Bay Race Place entrance. The new path will be laid with bricks, engraved with the names of our community members. The 4 inch by 8 inch bricks will cost $100.00 and may contain up to 3 lines of copy, 21 characters per line. All text is centered. This is a beautiful and everlasting way to show your support of the Monterey County Fairgrounds.

Simply complete the form below and return to Heritage Foundation - Brick-A-Thon at 2004 Fairground Road, Monterey CA 93940. If you have questions or require additional forms, please call (831) 372-5863. All donations are tax deductible, Tax ID # 77-0402426.
